BEAUTY_{ON} ROSE

SKIN

ENERGISE

TEEN FACIAL

30 MINS • \$109*

Customised | Hydrate | Extractions

A deep-cleansing yet gentle treatment designed for teenage skin. Our therapist will help clear away congestion and impurities, helping to manage breakouts and blackheads while teaching simple skincare habits for home. This facial promotes a clearer complexion and boosts confidence.

*Available for high school students and younger. Not valid with other offers or discounts.

REFRESH

30 MINS • \$129

Traditional | Hydrate

Relax with this deep cleansing facial designed to nourish and hydrate the skin. A customised mask accelerates results and makes this the perfect skin pick-me-up!

BESPOKE EXPRESS

30 MINS • \$139

Choice of 1: Microdermabrasion | Oxygen | Peel | Sheet Mask

Indulge in a bespoke express facial, meticulously tailored to your skin's unique needs. Choose one from: microdermabrasion for a refined glow, a rejuvenating peel to enhance clarity and texture, or an oxygen infusion for deep, nourishing hydration. Unsure of the best option for you? Book a session and let the skilled hands of our therapists guide you to the perfect treatment.

PURIFY FACIAL

40 MINS • \$169

Deep Cleansing | Extractions | High Frequency | Impurities

Our specialised extraction facial, ideal for targeting milia and blackheads. This treatment includes high-frequency therapy to alleviate inflammation and balance your complexion, concluding with a soothing detoxifying mask. Whilst we strive to extract as many impurities as possible, some cases may require multiple visits to fully address deeply embedded milia or extensive blackheads.

*Facial can be performed on the back.

ELEVATE YOUR RITUAL

Personalise your treatment with targeted upgrades designed to deepen relaxation or enhance results.

REPAIR

EPI SMOOTH

40 MINS • \$169

Dermaplaning | Hydration Mask

Epi-Blading is a gentle method of deeply exfoliating the skin. A surgical blade is used to safely remove dead skin cells and any fine hair or Peach Fuzz". Combined with our signature hydration mask, this treatment is pain-free with no downtime, leaving your skin super smooth, fuzz free and rejuvenated.

PEEL & GLOW

40 MINS • \$179

Microdermabrasion | Peel | LED

An instant nutrient bomb for dull, tired and thickened skin. A powerful combination of micro to exfoliate, hydration peel to refine and skin firming LED for instant results with no downtime. Suitable for all skin types and perfect for a healthy, radiant glow.

HYDRATE & TONE

50 MINS • \$189

Traditional | Neck & Shoulder Massage

The ultimate facial experience to effectively combat the signs of ageing whilst delivering maximum relaxation. The skin is deeply cleansed, exfoliated and nourished with hydrating serums and antioxidants, while you surrender your stress to our relaxing neck and shoulder massage. Total Bliss!

CORRECT

SKIN ELIXIR

60 MINS • \$249

Microdermabrasion | Peel | Oxygen Infusion | LED

Our signature facial Hero with the LOT! Deep cleansing, refining microdermabrasion, hydrating peel, nourishing oxygen infusion and skin firming LED. Your skin will never be the same!

RADIANCE RENEWAL

60 MINS • \$279

Lymphatic Mask | Restorative

A transformative firming mask that renews and revitalises. This treatment is designed to optimise skin function, boost age management and promote enduring results. Stimulating blood flow and enhances lymphatic circulation, promoting plumpness, tightness, and overall skin health.

AGE DEFY

60 MINS • \$299

Exfoliation | Lymphatic | LED | Neck & Shoulder Massage

An intensive five-layer treatment to support you in defying the ageing process. A highly advanced facial designed to resurface the skin, even tone, repair sun damage and reduce fine lines and wrinkles. Powerful rejuvenation with no downtime.

TRANSFORM

These treatments are intensive & require the skin to be prepped effectively prior.

THE POWERHOUSE

80 MINS • \$349

Tightening | Microdermabrasion | Peel | Vitamin A | Oxygen Infusion | LED

This is Skin Elixir Supercharged!! We have taken our signature facial and amplified the intensity by increasing the potency of all elements. But we didn't stop there – we also added radio frequency to firm and tighten the skin, high-potency vitamin A and a hydration infusion that is ten times more powerful than skin elixir. Your therapist will customize this treatment to your exact needs for powerful results that will not disappoint!

SKIN NEEDLING

40 MINS • \$329

SKIN NEEDLING++

60 MINS • \$399

Skin Needling | Skin Tightening | Rejuvenation

Skin needling stimulates cell regeneration and increases your natural collagen production delivering highly visible and long-lasting results. Best used to correct pigmentation, reduce fine lines and wrinkles, smooth and tighten skin, brighten a dull complexion and reduce scarring. Delivers rapid results with next to no downtime, there may be some redness to get there but we promise it's worth it! ++ includes neck, décolletage, LED and Hydrating sheet mask

SKIN REJUVE

40 MINS • \$379

ULTIMATE SKIN REJUVE

2x 40 MINS • \$599

Pigmentation Removal | Skin Tightening

Target the effects of stubborn pigmentation, sun damage and uneven skin tone with this high-performance laser facial. Tailored specifically to your concerns, it will stimulate natural collagen production to rejuvenate at a deep cellular level. It is a total game-changer.

SKIN SUPERCHARGE

2x 40 MINS • \$988

Wrinkle Reduction | Scar Reduction | Skin Tightening

A revolutionary power duo to tone and tighten your skin, diminishing the natural signs of ageing. The advanced combination of radio frequency and micro-needling induces a powerful, natural healing response that stimulates skin tightening, cell regeneration and collagen production. Perfect for deep wrinkles, fine lines, open pores and acne scarring and the results are mind-blowing! This skin supercharge includes 2 treatments taken in short succession to maximise results.

SUPERCHARGED SKIN BOOTCAMPS

Commit to your skin journey with a series of three targeted treatments, designed to supercharge results. Each bootcamp is purchased upfront and includes exclusive value, with expiry dates to keep you on track. Perfect for those seeking visible, lasting improvements.
